

**Full-Time PHYSICS TEACHER
MERCY HIGH SCHOOL
Burlingame, California
(650) 343-3631**

Mercy High School Burlingame, an all-girls college preparatory secondary school, has an opening for a full-time science teacher starting in August 2023.

Teachers have the opportunity to work in a small school environment, with class sizes ranging from 8-24 students.

The science teacher is responsible for the overall coordination of teaching, including curriculum development, lesson delivery, accurate assessment of student progress, participation in department meetings and team planning sessions, and supervision of students. The classes available for the fall are Physics and AP Physics, in addition to an entry-level Engineering course, but may include other assignments in future years.

Teach with a mission to educate young women of diverse backgrounds!

Mercy offers a comprehensive benefits package, including full pay for some medication insurance plans, dental, vision, life insurance, and more. Paid holiday, vacation, sick, discretionary, and professional development time.

The school year is 10 months.

Required knowledge and skills for all teaching positions at Mercy High High School:

- A clear commitment to the mission of the school.
- Strong teaching ability; enjoy working with adolescents.
- Fluency in reading, writing, and speaking in English.
- Excellent oral and written skills, as well as outstanding interpersonal skills.
- Ability to work well with students and colleagues; willingness to be an active, enthusiastic member of the Mercy community.
- Obvious passion for the academic subject matter being taught.
- Willingness to adapt to an existing curriculum as well as contribute ideas to enhance the respective academic programs.
- Excellent attendance and punctuality.
- Excellent technology skills.
- Possess a commitment to diversity, equity, and inclusion.
- Thrive in a collaborative, dynamic, and faithful learning community to develop curricula, lessons, and assessments.

Minimal qualifications for this position:

- B.S. in Physics or related field
- Secondary Teaching Credential
- 3 years of teaching experience, preferably in a secondary school environment
- Strong knowledge of math and sciences
- A passion for teaching young women

Additional Preferred Qualifications:

- Master's Degree in Education
- Strong computer and iPad skills
- Strong G-Suite competencies

We encourage all qualified applicants to send a resume, a cover letter, and contact information for three references.

In the cover letter, please include the following:

- Briefly describe your teaching philosophy.
- Share at least one concrete way that you address various language modalities in your classroom lesson planning.
- Describe how student-centered teaching looks in your classroom and give examples from your teaching experience.

The position requires the candidate to be on campus for training and orientation near the start of August. Salary is based on the faculty salary scale and commensurate with experience and education of the applicant.

We will conduct interviews on a rolling basis.

Send resume and cover letter to:

Arthur Walker, Assistant Head of School for Academics,
