

**SCIENCE/CHEMISTRY TEACHER
MERCY HIGH SCHOOL
Burlingame, California
(650) 343-3631**

Mercy High School Burlingame, an all-girls college preparatory secondary school, has an opening for a Science teacher, preferably with experience teaching Chemistry, starting Aug. 2023.

Teachers have the opportunity to work in a small school environment, with class sizes ranging from 8-24 students.

Teaching may include one or more of the following: Chemistry, Honors Chemistry, AP Chemistry, and Conceptual Chemistry, with the option of different courses in future years. The science teacher is responsible for the overall coordination of teaching, including developing curriculum, delivering lessons, accurate assessment of student progress, participation in department meetings and team planning sessions, and supervision of students.

Teach with a mission to educate young women of diverse backgrounds!

Required knowledge and skills for all teaching positions at Mercy High High School:

- A clear commitment to the mission of the school.
- Strong teaching ability; enjoy working with adolescents.
- Fluency in reading, writing, and speaking in English.
- Excellent oral and written skills, as well as outstanding interpersonal skills.
- Ability to work well with students and colleagues; willingness to be an active, enthusiastic member of the Mercy community.
- Obvious passion for the academic subject matter being taught.
- Willingness to adapt to an existing curriculum as well as contribute ideas to enhance the respective academic programs.
- Excellent attendance and punctuality.
- Excellent technology skills.
- Possess a commitment to diversity, equity, and inclusion.
- Thrive in a collaborative, dynamic, and faithful learning community to develop curricula, lessons, and assessments.

Minimal qualifications:

- B.A in chemistry or related discipline
- 3 years of teaching experience, preferably in a secondary school environment
- Strong knowledge of math and sciences

Additional Preferred Qualifications:

- Master's Degree in Education or Chemistry
- California Secondary Teaching Credential
- Strong computer and iPad skills
- Strong G-Suite competencies

The position requires the candidate to be on campus for training and orientation near the start of August. Salary is based on the faculty salary scale and commensurate with experience and education of the applicant.

We will conduct interviews on a rolling basis.
